Agreement of the Acceptable Use of Information and Communications Technology Policy

The Acceptable Use of Information and Communications Technology Policy is displayed on the school website (paper copies of this policy can be obtained from the school). Please read the policy in advance of signing this document. By signing this document, your young person is entitled to access the school network.

For the students:

I have read the information concerning BYOD and the school network contained in the terms and conditions of the school's Acceptable Use of Information and Communication Technology Policy. I understand and accept these. I also acknowledge that in failing to comply with the requirements of the Policy I may be subject to appropriate Behaviour Management options.
