## 2016 Action Plan: Learner Wellbeing

### Aspirational Goals

1. Students at Wirreanda Secondary are confident to be themselves, to engage with the unfamiliar and take risks that challenge them

   **TfEL 2.2 Negotiate Learning - build a community of learners the teacher creates a culture where everyone inspires and encourages each others’ learning**

2. Students and Staff at Wirreanda embrace and celebrate diversity

3. Students and Staff at Wirreanda stand up and speak out about injustice

### Improvement Strategies

1.1 Student leadership group models and supports other students to participate in extracurricular activities and student voice actions

1.2 School facilitates additional extra-curricula activities available for students before, during and after school

1.3 Student confidence is built by creating a range of forums for students to leave their comfort zone without being judged

1.4 Student self confidence is built by researching and implementing strategies to increase student self-confidence

1.5 Develop a measure for student confidence

2.1 The school further develops SAFE Schools Coalition education

2.2 The school celebrates IDAHO day and other diversity projects

3.1 Bullying and Harassment Policies are further developed and a consistent message is upheld about bullying, harassment and ‘casual discrimination’

3.2 Student counselling/support team is developed for students to raise concerns amongst peers

3.3 Students and staff consistently reinforce the culture of “the standard you walk past is the standard you accept”, and model this behaviour to others

### Targets

Events extend to a wider cohort and percentage of students. In 2015 43 students were involved in specific Student leadership/Voice events (6% of the total student body) with only 7 students from the MS

An annual measure of confidence is developed to track improvement

Students Satisfaction Survey indicates a growth in the following responses:

- **Learning Opportunities:** “My school provides plenty of opportunities for all students to participate in co-curricular activities.” (65.2% 2015)

- **Student Behavioural Values:** “I am taught to respect individual differences.” (67.6% 2015)

- **Student Relationships:** “I find it is easy to make friends at this school.” (58.8% 2015)

- **Student Relationships:** “Bullying is not a problem at my school” (39.2% 2015)

Bullying Behaviour Survey indicates a decrease in the following responses:

- **What do you usually do when you see other kids being bullied?**
  - I don’t get involved (70% 2015)
