Information for Prospective Athletes

The Specialist Sport Course at Wirreanda Secondary School has been established to assist talented student athletes to achieve at the highest levels of performance in their chosen sport and to help develop their educational, emotional and social wellbeing. The program also provides structures and processes to support students accessing a range of post-school options. Extensive support is also provided through the Athlete Development Program to assist student athletes to balance their demanding schedules and achieve success at school, as well as in their personal and sporting lives.

The aims of the Specialist Sport Course are to provide student athletes access to:

- Athlete development which enhances the individual's ability to maximise performance using a holistic approach
- Development and actioning a clear Individual Athlete Plan with assistance from the SSC Coordinator, SSC Leader, Athlete Development Lead Teacher, Specialist Sport Course Team and additional support services
- Sport Science services, such as coaching analysis of their performance, sports injury courses and nutrition
- A range of state of the art and traditional training methods, strength and conditioning, psychology, recovery, prehabilitation and rehabilitation and sport specific skill development
- Work Experience and Career Education support and pathways planning
- Various professional facilities within the school environment and within local, state and national sporting communities
- A range of technologies to enhance and aid their individual athlete development

Students in the Specialist Sport Course at Wirreanda Secondary School will have the opportunity to:

- Complete appropriate coaching and officiating qualifications and courses
- Complete Certificate 2 In Sport and Recreation
- Complete their Senior First Aid Certificate
- Obtain units in Certificate 3 In Sport And Recreation
- Engage with successful state and national athletes, coaches and experts via workshops, skill sessions and online connections

Annual Fees:

The Specialist Sport Course fee is \$220 per year which includes a SSC uniform (top/shorts), kit bag, drink bottle and a training towel.

As participation in Wirreanda Secondary School Specialist Sport Course is voluntary, not all costs are covered within the budget.

An annual fee is set by the Wirreanda Secondary School Governing Council and contributes to costs associated with the program, such as coaches, specialist equipment and uniforms, bus hire, excursions, guest speakers, workshops, state of the art technology, access to possible services such as physiotherapy, nutrition and sport psychology for targeted athletes.

Some excursions will incur additional costs, especially where accommodation and transport are required. Parents/Caregivers will be given advanced notice of major excursions to assist with planning and budgeting.

**Wirreanda Secondary School
Specialist Sport Course Application 2017**

To gain the biggest benefit from the Specialist Sport Course it is highly recommended that students invest in the following.

- **Involved in club or community level sporting programs on a regular basis.**

Involvement in organised sport outside of the school is key to applying many of the fundamental mental and physical skills that students develop during the program. Consistently being able to apply, practice and reflect on these skills will ensure greater athletic development.

- **Purchase of a heart rate/GPS monitoring device.**

In an effort to continue to keep our program on the cutting edge of sport science and athlete development, Wirreanda Secondary purchases new Garmin Forerunner GPS units. These are offered to students at a heavily subsidised price and are essential components of both athlete monitoring and development. Students are able to use and purchase any HR/GPS unit as long as it has similar specifications.

This in addition with the Training Peaks Coaching software will allow us to monitor, plan and evaluate your students' Individual Athlete Plan, as well as provide an invaluable resource to motivate our student athletes to take real ownership of their training and performances. It will not only ensure students have genuine understanding of the real world use of HR/GPS data for use within SSC and Year 11/12 PE, but also be able to apply these training and physiology principles throughout their athletic career and beyond.

Application Process

1. Please complete the attached Specialist Sport Course **Athlete Application**. This application form can also be downloaded from the wirreandasecondary.sa.edu.au
2. If transferring from another school please attach photocopies of **all school reports** from **2016** (both semesters) or Semester 2 2016 and Semester 1 2017 (depending on when you apply). Current students at Wirreanda do not need to attach reports.
3. Remove pages 1-7 (Cover and Information Pages) before submitting application
4. Ask a coach/ PE Teacher who has coached your child for some time to complete the **Confidential Reference pages 11 and 12** and for them to **email** it to Heather.Lee54@schools.sa.edu.au
5. 2017 Athlete Applicants may be submitted up to the start of Term 4 and then will be observed for 2018 program.
6. **Selection trials:** Applicants will be required to participate in selection trials with Wirreanda Secondary School Specialist Sports Course staff as scheduled by the Specialist Sport Course Office. Students will be advised in advance.
7. If successful after a review of information submitted and selection trials, a **school-based interview** may be organised if required. The interview usually involves the student with the SSC Coordinator or SSC Lead Teacher and if also requested with parent(s). Applicants and families will be notified of the outcome of the trials.
8. **Reviews.** Acceptance into the Specialist Sports Course does not lead to automatic placement in the following years. School and sporting progress are **regularly reviewed throughout the year.**
