## Year 8 Term 2 PBL Exhibition

### Wednesday 5th July

Dear Families and Friends,

Our Term 2 Year 8 PBL Exhibition is upon us! Students have been working throughout the term on a range of investigations supporting their exploration of the theme *Identity*.

A critical element of Project Based Learning (PBL) is building student ownership for their learning. This was recently demonstrated in their Student-Led Conversations, where students had the opportunity to reflect on their learning and set goals for the remainder of the term. Having students demonstrate their learning through public exhibition provides further opportunity to demonstrate their growing skills in Collaboration, Communication and Organisation.

This term our exhibition will be held on **WEDNESDAY 5th JULY from 3:30pm - 5:00pm.**

This will require all students involved to be at school supervised by their PBL teachers up until 5:00pm.

We invite families and friends to attend at any time from 3:30pm up until 5pm as the exhibition will be a walk through experience. We encourage you also to visit each student group, ask questions, complete feedback and chat with the staff.

Please complete the RSVP on the following page to register the number of family members who will be in attendance.

Regards,

Rhoni McFarlane  
Deputy Principal

Teresa Bruno  
Senior Leader Year 8/9
