Course Counselling Information Night Wednesday 9th August 6:30pm Learning Hub

Dear Parent/Guardian,

Students will soon need to make choices regarding their subjects for next year. This will occur on Course Selection Day, Thursday 24th August. To assist you and your child with this process, we are holding a **Course Information Night on Wednesday 9th of August**, in the Learning Hub.

This is an opportunity for you and your son/daughter to attend a short information session to hear details of the courses on offer to our students, and their pathways whilst at school, in advance of the actual selection process. This should provide you with adequate information to be able to support your son/daughter to make informed decisions about their future study.

The evening will be brief, and there will be time for you to ask questions of the team members representing Administration, Counselling and Year Level teams.

Please note the following details
