To Parents/Families and Caregivers,

Scene Not Heard

This term, my Year 10 English class is studying silent films as a text, with a specific focus on how much of our communication with others is based on expression and body language, and how music influences our emotional understanding of a situation.

We will explore how silent films are constructed so that students will be able to create one of their own. Students will view a variety of short excerpts and films, examples include the work of Charlie Chaplin and the animation studio Pixar.

As an important component of the planned learning program, all students in my Year 10 English class will be participating unless parents/caregivers request an exemption for their child.

If you would like more information about the films being studied or would like to have your child exempted, please contact me by Monday 5th February, 2018 via email or phone.

Yours sincerely,
