

Rory's School Lunches is now open in Wirreanda Secondary School's canteen on Monday, Tuesday, Thursday and Friday. The canteen is closed on Wednesday however students will have lunch options provided by Home Economic classes or VET Food and Hospitality students which will be promoted via our social media.

Lunch Purchases

There are two ways students can purchase lunch:

- The first is to place an online lunch order via the QKR app
<http://wirreandasecondary.sa.edu.au/wp-content/uploads/2018/02/Rorys-how-to-order.pdf> Students placing lunch orders will be able to order from the pre-order menu that is available on QKR, the Rory's website at www.rorys.com.au or from the menu in the canteen.
- The second way is for students to go directly to the canteen at recess and lunch to purchase from a broad selection of hot and cold foods from the displays that rotates daily. Some of the hot and cold foods you can expect to see daily are; fresh baguettes, salads and wraps, hot pasta, curries and stir-fries, toasted wraps, yiros, toasted subs, burgers, hotdogs and many other specialty dishes. The canteen will also stock a range of drinks, ice blocks and snack items.

Full EFTPOS facilities are available in the canteen.

Student Volunteers

The canteen will be looking for students who would like to regularly volunteer, alongside a member of the Rory's School Lunches team. Student volunteers can work during recess and lunch, on whichever day of the week suits them.

If you are interested in volunteering in our canteen, please see Jody Thomas at the Finance Office window, to register your interest.
