To Parents/Families and Caregivers,

Yolngu Boy - Film Study

This term's Year 9 English program will include the exploration of film techniques and cinematography. Participation in viewing the film *Yolngu Boy* aims to improve students' ability to understand a director's choice of filming techniques to convey an idea.

As an important component of the planned learning program, all students in will be participating unless parents/caregivers request an exemption for their child. The film is rated M due to its low-level coarse language and adult themes.

If you would like more information about this film or would like to have your child exempt, please contact Emily Parker by Wednesday April 11th via email or phone.

Yours sincerely,
