To Parents/Families and Caregivers,

### **Maleficent - Film Study**

This term's Year 10 English program will include the exploration of film techniques and the theme of revenge. Participation in viewing the film 'Maleficent' aims to improve students' ability to understand the director's choice of filming techniques to convey an idea.

As an important component of the planned learning program, all students in will be participating unless parents/caregivers request an exemption for their child. The film is rated M due to its fantasy themes and violence.

If you would like more information about this film or would like to have your child exempt, please contact Emily Parker by Tuesday April 10th via email or phone.

Yours sincerely,
