

Research Project Report

Date: 28th June 2018

Dear Parents and Caregivers,

This semester, the Year 11 students are undertaking the Stage 2 subject: Research Project, which consists of a Folio, Outcome and Evaluation. For a student to be eligible to obtain their SACE, they must successfully complete Research Project by achieving a C- or better overall.

The completion dates and course structure of Research Project are different to the Stage 1 subjects. Therefore, **the grades reflected in the end of semester report are representative of student's progress in Research Project as at Week 8, Term 2.** This grade is not reflective of any final assessment results.

As such, students are able to improve their work throughout the remainder of the course by utilising class and homework opportunities. It is essential that students are responding to the feedback provided by their teacher.

In the first half of Term 3, students will be working on their Research Outcome, where they resolve their Research Question. This is followed by an Evaluation in the later half of Term 3. Their Term 3 report will reflect their progress towards their Outcome and Evaluation.

If you wish to discuss this further, please contact me at the school on 8329 7200.

Yours faithfully,

Natalie Maddern
Research Project Leader

Rhoni McFarlane
Deputy Principal
