To Parents/Families and Caregivers,

A Series of Unfortunate Events

This term, my Year 9 English classes are studying the film, *A Series of Unfortunate Events, 2004*, directed by Brad Silberling. This movie tells the tale of three orphaned youngsters and explores the themes of loyalty, relationships, challenges, resilience and trust. There is a strong emphasis on students to critically analyse the characters, language and plot through a series of tasks.

The film is rated PG due to mild themes and violence.

As an important component of the planned learning program, all students in my Year 9 English classes will be participating unless parents/caregivers request an exemption for their child.

If you would like more information about the film, *A Series of Unfortunate Events*, or would like to have your child exempted, please contact me by 5th February 2018 via phone on 83297200 or email at priya.vijayan430@schools.sa.edu.au
