LEARNING FOR LIFE

HG Learning Conversation, Subject Interviews and Course Selection

Dear Parents/Caregivers,

This **Wednesday 22nd August**, you have the opportunity to participate in a discussion with your child and their Home Group Teacher in regards to their learning and progress this year. There is also an opportunity to make appointments with current subject teachers to discuss current progress in semester 2 courses.

Just to reiterate:
*Appointments are to be made with **current teachers** to discuss learning for **this semester**.*

Once you have attended your Home Group and any other subject appointments, it is essential to complete Course Selection for 2019 with a member of our leadership team. You do not require an appointment for Course Selection, instead a member of our staff will direct you to the most appropriate leader to complete the process.

As part of course selection for 2019, Year 11 students have been provided with a draft Year 12 Course Selection Card to complete prior to Course Selection Day on **Wednesday 22nd August, 2018.** This **must be brought with them** to Learning Conversations, to enable successful Course Selection.

If you are unable to attend, it is essential that your child bring a completed signed Course Card and provide it to their Home Group Teacher. If there are any concerns, a member of staff will contact you.

It is extremely important for students to explore the options for Year 12 in the Year 11 & 12 Course Handbook, which can be accessed online via our school website.

Learning Conversations and **Course Selection** will be held in the **Learning Hub, beginning at 1:00pm** and concluding at **8:00pm.** This is a school closure day.

Please ensure you have made an appointment with your child's homegroup teacher via our online booking system available at: https://www.schoolinterviews.com.au/code

Yours sincerely,

Zoe Le Clercq
