To Parents/Families and Caregivers,

Wonder

This term, my Stage 1 English class is studying the film, *Wonder* (2017), directed by Stephen Chobosky. *Wonder* tells the inspiring story of August Pullman, a boy with facial differences who enters the 5th grade, attending school for the first time. The film explores the themes of identity, friendship and kindness.

The film is rated PG for thematic elements including bullying and some mild language.

As an important component of the planned learning program, all students in my Stage 1 English class will be participating unless parents/caregivers request an exemption for their child.

If you would like more information about the film, *Wonder*, or would like to have your child exempted, please contact me by 4th February, 2019 via email or phone.

Yours sincerely,
