

Consent to View Marvel Movies

1st of February 2019

Dear Parents/Families and Caregivers,

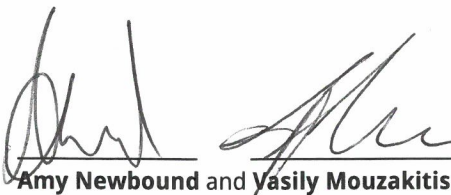

This semester our year 9 HASS classes are studying **Modern Day Marvels**, looking at concepts around what historical themes can be drawn from Marvel comics and superheroes. The course will explore the history of superhero stories focusing on the Marvel movies to investigate historical events and look at historical sources to discover what they can tell us about the real world.

As an important component of the planned learning program, all students in our year 9 HASS course 'Modern Day Marvels' will have the option of viewing the four Marvel films: *Iron Man*, *Thor*, *Captain America*, and *Guardians of the Galaxy*. We will not be watching the whole movie in class, however, students will be given the option to view the movies in whole on Wednesdays at lunchtime if they haven't previously seen them.

It will be assumed that students are able to participate in viewings unless parents/caregivers request an exemption for their child. Each film is rated M due to the portrayal of some action violence and mild fantasy themes.

If you would like more information about the films that are being studied or would like to have your child exempted, please contact your child's teacher prior to the viewing of the first movie via email or phone by **February 8th**.

Yours sincerely,

Amy Newbound and Vasily Mouzakis
