To Parents/Families and Caregivers,

Chicago

This term, my Year 11 English class is studying a range of films from the musical genre. We will be focussing on *Chicago*, directed by Rob Marshall, which explores the themes of celebrity, scandal, and corruption in Chicago during the Jazz Age. The film replicates many of the features that we would expect in a live musical performance.

Chicago is rated M due to medium level violence and adult themes.

As an important component of the planned learning program, all students in 'This is not a High School Musical' will be participating unless parents/caregivers request an exemption for their child.

If you would like more information about the films please contact me via email or phone.

Yours sincerely,

Natalie Maddern
