Course Selection Information Night Wednesday August 5 6:30pm Learning Hub

Dear Parent/Caregiver,

Students will soon need to make choices regarding their subjects for next year. This will occur on Course Selection Day, Wednesday 19 August. To assist you and our students with this process, we are holding a **Course Information Night on Wednesday 5 August**, in the Learning Hub.

This is an opportunity for you and your young person to attend a short information session to hear details of the courses on offer to our students, and pathways available whilst at school, in advance of the actual selection process. This should provide you with adequate information to be able to support your young person to make informed decisions about their future study.

The evening will be brief, and there will be time for you to ask questions of the team members representing Administration, Curriculum, Counselling and Year Level teams.

Please note the following details

Course Selection Parent Information Night, 5 August - 6:30pm in the Learning Hub

We look forward to assisting you and your son/daughter in the Course Selection process. Please do not hesitate to contact the school if you need further information.

Parents/Caregivers, please note, **Course Selection and Student Learning Conversations**, will be held on **Wednesday, 19 August**, there will be no formal lessons on this day. Additional information will be sent out in regards to the process for making appointments. Students must ensure that their Course Selection Card is brought with them and completed to the best of their ability.

Yours sincerely,

Shane Cunningham
Deputy Principal
