

LEARNING FOR LIFE

Respect Responsibility Honesty Achievement

27th February 2023

Dear Parents/Caregivers and Families,

We are excited to inform you that the Wirreanda Secondary School Sports Day will be held on Friday the 10th of March, during Week 6 of Term 1. Sports Day is an important community event where we celebrate active participation for all students, as well as sporting achievement.

All students are required to attend on the day from 9am to 3.30pm and we encourage families to support their young people on the day. It is not compulsory for students to compete in the events, however we encourage all students to have a go and to participate in some capacity. House Points will be awarded for students who participate in an event. Students who do want to compete, must enrol via the ReadyGo platform prior to their event. Support with the sign up process is being provided at school. **Students who would like to participate in any athletic throwing events must have permission from a parent/caregiver.** This informed consent process is a new DfE policy and will be strictly adhered to. When students are not competing in events we expect them to stay within the Sports Day boundaries to spectate and cheer on their house team.

A program is attached with all athletic and novelty events, however there will also be recreational activities running throughout the day for students to participate in. You will notice that some athletic events are scheduled for the same time, however students can still participate in both events. Students will be given more information regarding the logistics of the day.

We encourage students to dress up in their house colours to support their team. This year there will also be a prize for best dressed student and teacher. It is important that students bring an adequate supply of water to stay hydrated for the day, as well as a hat, sunscreen, and a long sleeve shirt for sun protection. Canteen food and drink options will be available to purchase on the day.

Please be aware that Wirreanda Secondary School behaviour expectations apply on Sports Day and students are expected to be respectful and uphold sportsmanship values at all times. We look forward to hosting a fun, inclusive event and we wish everyone the best of luck on the day.

Kind Regards,

Zoe Greer
HPE Coordinator

2023 Sports Day Program
